

## **VAIMH Strategic Plan October 22, 2013**

### **VAIMH Roles**

1. \*Own Endorsement process
  - Build and implement infrastructure for endorsement system for years 2013-2016
  - Defining Policies for endorsement process
  - Establish professional development curriculum
2. \*Support ECMH Institute with focused IMH activity
3. \*Provide cases supporting evidence to build DMAS ability to find IMH reimbursement
4. \*Launch one learning community to promote IMH practice

### **Expansion of Field**

1. Public Awareness-marketing piece (Develop Infographic and White Paper with ECMH)
2. \*Membership growth- development of chapters
3. Building capacity of providers

### **Professional Development**

1. \*Endorsement process
2. \*Institute
3. \*Learning communities

### **Policy and Funding**

1. Maximize Medicaid EPSDT dollars

### **Down the Road Consider**

1. Develop curriculum of specific trainings related to the endorsement competencies like those developed in Michigan and Massachusetts
2. More targeted outreach to early intervention and home visiting programs
