

CREATE CHA

SAVE THE DATES

MAY 2 & MAY 9, 2026

Be a leader in your healthcare!

If you are someone with an intellectual or developmental disability, are 18 years or over, and live in central Virginia, this is an exciting opportunity for you!

Join the CREATE-CHA team and use acting, improv, and filmmaking to learn about working together with doctors and nurses.

And great news - you'll get paid for participating!
